

Graphenoil

TECHNICAL DATA SHEET

VETERAN OWNED SMALL BUSINESS

MADE IN USA

DEGREASER

UPDATED 01/18/2023

DESCRIPTION

Graphenoil Degreaser is a state-of-the-art chemical designed to be sprayed on or applied with a brush, to remove oil-based contamination. Degreaser will safely emulsify petroleum-based products, including food grade products. Degreaser is a highly concentrated formulation that incapacitates the oil and grease, not allowing re-contamination through the cleaning process. Typical applications include pre-cleaning metal parts prior to a painting process, floor cleaning, equipment cleaning. Graphenoil Degreaser is non-hazmat, non-hazardous, and non-flammable.

APPLICATIONS

Ferrous and non-ferrous metals, concrete, and other substrates.

METHOD OF USE

Spray on or apply with a brush and rinse.

PHYSICAL PROPERTIES

Appearance	Clear	Flash Point	>200.0 F.
Physical State	Liquid	Evaporation Rate	Slow
Color	Light Green	Vapor Pressure	0.94 hpa
Odor	Lemon	Pounds Per Gallon	8.87 lbs.
pH	> 13.3 neat	Specific Gravity	1.29

STORAGE & HANDLING

Keep container closed until use. Keep out of direct sunlight and heat. Discard waste appropriately.

DIRECTIONS

Degreaser is a stable chemical formulation which is designed for a safe de-greasing cleaning process. It can be sprayed on or applied with a brush. It is designed to encapsulate the grease & oil contamination, resulting in a cleaner surface area, without re-transferring the contaminants into the substrate resulting in out gassing and fisheye caused when contaminants are not removed.

NOTES

The data contained herein are furnished for information only and are believed to be reliable. We cannot assume responsibility for the results obtained by others over whose methods we have no control. It is the user's responsibility to determine suitability for the user's purpose of any production methods mentioned herein and to adopt such precautions as may be advisable for the protection of property and of persons against any hazards that may be involved in the handling and use thereof.

In light of the foregoing, Graphenoil specifically disclaims all warranties expressed or implied, including warranties of merchantability or fitness for a particular purpose, arising from sale or use of Graphenoil products. Graphenoil specifically disclaims any liability for consequential or incidental damages of any kind, including lost profits.

The discussion herein of various processes or compositions is not to be interpreted as representation that they are free from domination of patents owned by others or as a license under any Graphenoil patents that may cover such processes or compositions. We recommend that each prospective user test his proposed application before repetitive use, using this data as a guide. This product may be covered by one or more United States or foreign patents or patent applications.
