TECHNICAL DATA SHEET

VETERAN OWNED SMALL BUSINESS

MADE IN USA

VOB 750

UPDATED 01/06/2022

DESCRIPTION

Graphenoil VOB 750 is a heavy duty, thermally stable, low smoke, water washable, non-misting cutting oil formulated for aluminum sawing applications. This product will not stain soft metals and has a low flash point to provide safer operations. The high lubricity provides smoother operation with less noise. VOB 750 is extremely environmentally friendly that does not contain any petroleum products.

APPLICATIONS

Used in aluminum sawing applications.

FEATURES

Graphenoil Full Synthetic motor oil meets and exceeds the following specifications and manufacturers' requirements:

- Low smoke • Exceptional co-efficient of friction to protect saw blade • Low flash point
- Environmentally friendly • Smother operation and less noise • Minimizes burrs

PHYSICAL PROPERTIES

Form	Liquid
Color	Yellow
Odor	Mild Vegetable
Specific Gravity	0.918
Viscosity @ 40°C, cSt	72cSt
Viscosity @ 100°C, cSt	12.5 cSt
Phosphorous	None
Sulfur	None
Lubricity Additive	Present

METHOD OF USE

VOB 750 is used undiluted as received. It can be applied by sprayers, rollers, dip, or flood and performs effectively in recycling systems.

STORAGE & HANDLING

Keep container closed until use. Keep out of direct sunlight and heat. Discard waste appropriately.

NOTES

The data contained herein are furnished for information only and are believed to be reliable. We cannot assume responsibility for the results obtained by others over whose methods we have no control. It is the user's responsibility to determine suitability for the user's purpose of any production methods mentioned herein and to adopt such precautions as may be advisable for the protection of property and of persons against any hazards that may be involved in the handling and use thereof.

In light of the foregoing, Graphenoil specifically disclaims all warranties expressed or implied, including warranties of merchantability or fitness for a particular purpose, arising from sale or use of Graphenoil products. Graphenoil specifically disclaims any liability for consequential or incidental damages of any kind, including lost profits.

The discussion herein of various processes or compositions is not to be interpreted as representation that they are free from domination of patents owned by others or as a license under any Graphenoil patents that may cover such processes or compositions. We recommend that each prospective user test his proposed application before repetitive use, using this data as a guide. This product may be covered by one or more United States or foreign patents or patent applications.
